Story Book Stables is thrilled to have acquired Star Spangled Whiz. This beautiful and talented son of the all time leading sire, Topsail Whiz, out of a producing daughter of NRHA \$4 Million Sire Shining Spark, had limited Open showing in his career, yet his lifetime earnings are over \$175,000. This stallion exemplifies the combination of a great talent with a great mind, not to mention great looks!

His first foal crop has won more than 49,000\$. Thus far, he has been producing foals just like himself: good minded, athletic, beautiful!
