

For horses 8 years and older

NRBC CHALLENGE ADVANCEMENT

One time fee of \$300

What is the purpose of the Classic Challenge?

This is a new concept for horses that have aged out of the existing Derby programs in the reining industry. The Classic Challenge will give horses an extension of their show career and a chance for them to have another big-money event to compete in. It will also encourage proper training and maintenance for our horses to have a longer show career at all levels.

How does a horse become qualified?

If a horse is by an eligible NRBC stallion and is enrolled as an NRBC foal, it can be advanced as a Classic Challenge horse for \$300, making it eligible for its lifetime.
