

NRBC Enrollment Terms and Conditions

Stallion Enrollment:

Stallions enrolling for the first time will pay an initial fee of \$6,000. The \$6,000 is divided as follows: \$3,000 for the first annual fee and \$3,000 for the prepaid pass-out fee. For stallions renewing enrollment, the fee is \$3,000 postmarked by February 1. After February 1, the renewal fee is \$4,000, which includes a \$1,000 late charge. In the event of death, sale, or the stallion owner electing to no longer participate in the program, the stallion's prepaid pass-out fee will be drawn on in order for the foals of the stallion's last breeding year to be eligible.

The annual stallion fee is allocated in the following way: \$250 funds the purse money for Classic Challenge and 10% is administrative expense (advertising, promotional materials, office staff, etc.) The \$2,450 balance funds the added money for the Classic.

Stallions enrolled with the \$1,250 passout fee that leave the program may be re-enrolled later. However, when those stallions are re-enrolled, the remaining \$1,750 for their pass-out year plus the \$6,000 due to enroll a new stallion will be charged.

The owner/agent or nominator of the stallion agrees to provide promotional information to each mare owner breeding to the stallion. He or she also agrees to provide the NRBC Foal Enrollment forms to the owner of each live foal at the time the Breeders Certificate is provided. The promotional materials and forms are provided by the NRBC and may also be found on the NRBC website at www.nrbc.com.

Foal Enrollment:

To be eligible for the 4-, 5-, 6- and 7-year-old National Reining Breeders Classic, the foal must be sired by a NRBC stallion that was paid up in the year of the foal's enrollment. The owner/agent must complete the enrollment form (attach a copy of the registration papers, if available at the time), enclose a one-time payment of \$250 per foal if postmarked by September 15 of the foal's birth year, or \$300 if postmarked by December 31 of the foal's birth year. Enrollment forms missing any required information will be held. The owner/agent will be notified by phone, fax or mail to complete the enrollment process. The nominator of the foal is the person or company paying for the enrollment or passing out.

Late enrollment of foals is as follows:

Yearlings - \$2,500

2-year-olds - \$7,500

3-year-olds and older - \$10,000

Yearlings that were not enrolled as weanlings may late-enroll and pay all at once or make the following two payments: \$1,250 postmarked by December 31 of their yearling year and \$1,250 postmarked by December 31 of their two-year-old year.

Two-year-olds that were not enrolled as weanlings or yearlings may late enroll and pay all at once or make the following three payments: \$2,500 postmarked by December 31 of their two-year-old year, \$2,500 postmarked by December 31 of their three-year-old year, and \$2,500 postmarked by April 1 of their four-year-old year. The final payment must be received prior to the entry deadline for the Breeders Classic. If the final payment is received after April 1, the horse will go first in the draw.

Horses three years old and older that were not enrolled as weanlings, yearlings or two-year-olds, may late enroll and pay all at once or make the following two payments: \$5,000 postmarked by December 31 of their three-year-old year, and \$5,000 postmarked by April 1 of their four-year old year. The final payment must be received prior to the entry deadline for the Breeders Classic.

Foal enrollment eligibility is dependent upon the sire being currently enrolled the year that the foal is enrolled.

All named foals (provided the NRBC Office has a copy of the foal's registration papers, National DNA Registry certificate or NRHA Competition License) will receive an NRBC Certificate when enrolled. Those foals with names pending will be enrolled as "Pending" and receive their certificate when the NRBC Office receives a copy of the registration papers. Grade horses may also be enrolled.

Challenge Advancement:

To be eligible for the 8-year-old and older Classic Challenge class, the horse must be sired by an enrolled NRBC stallion and enrolled as an NRBC foal. The owner/agent must complete the advancement form (attach a copy of the registration papers) and enclose a one-time payment of \$300 per horse.

Ineligibility:

Failure to pay or comply with these rules will result in ineligibility to participate in the program. The decision of the NRBC Board of Directors will be final.

The National Reining Breeders Classic is a Texas nonprofit corporation. All enrollment fees will be maintained at Federal Deposit Insurance Corporation (FDIC) banks and all interest earned from the foal enrollments will be added money at the Breeders Classic.

Payment Options

All payment due dates are postmarked dates. Traditional payment methods accepted are cash and check. For your convenience, Visa and MasterCard are also accepted with a 5% convenience fee.
