# Jason Vanlandingham & Best Shine

## NRBC Open Classic Challenge Champion & \$25K Open Champion

Shining their way to the top Jason Vanlandingham and Best Shine scored a 225.5 to secure their win in the NRBC Open Classic Challenge and the \$25K Added Open. In the Classic Challenge they took home \$5,797.17 and in the \$25K Added they took home \$6,907.50.

"He's aged out of the Derby aged events as an eight-year-old this year and we wanted to bring him here and put a run on him to see what we needed to do to prepare and go back out to the million. It was good to be able to put a run on him to see what we needed to do to be competitive for Vegas," Vanlandingham said.

Best Shine has been in the breeding barn before coming to the show to compete in the aged competitions at the NRBC. Bred by Wagman Ranch

Inc., this 2017 stallion is by Shine Chic Shine and out of Best Stop, currently owned by Robert Santagata.

"This is a great addition to our sport and that \$25K added Open is where I got my first big win in 2006 or 2007 on Gallos Stylish Star. I think this is an opportunity for young trainers to showcase themselves in there under the nighttime performance under the big lights. Its a cool opportunity for another chance to run at a check for aged horses as well," Vanlandingham said.

Lifetime Earnings for Best Shine now stands at \$752,601.24 after this show. Best Shine stands at stud at Toyon Ranch LLC.

"There's a lot of people to thank like the whole show committee. I love these people, they are awesome and great at putting on horse shows. It's a great place to start there. I don't get anything done without my wife. She's there every second of the day and before I get there and after I leave she's taking care of things. Nobody would know my name, but the good Lord blesses us and I am truly thankful for that and having the horses to be able to ride at this level," Vanlandingham said.

# Mackenzie McGehee & Gunna Be A Goodtime

## Yellowstone Rookie Consolation Champion

Coming out of the NRBC Rookie Shootout Consolation Mackenzie McGehee & Gunna Be A Goodtime, called Ben around the barn, scored a 72 to secure their championship win in the Super Duty arena.

“He is the goofiest character and super talented. He’s been a really good teacher especially with it only being my second year riding in the reining. He has been so patient with me and teaching me,” McGehee said.

This is the first time at the NRBC for McGehee and Gunna Bea Goodtime who was bred by Judy Box. Gunna Bea Goodtime is by Gunnatrashya and out of Lil Ruf Sara.

“He is only my second reining horse ever. Once I got into the reining, I needed a horse for the rookie and my trainer and I were trying horses in Texas. I wasn’t even paying attention and my trainer was riding him and said ‘this is your horse, I know it, this is your horse.’ At the moment I was like whatever and I got on him and he was just spot on honest and straight forward, patient with me,” McGehee said.

McGehee thanks her trainer, Jimbo Albritton, for bringing and caring for her horses while she is at the NRBC and her mom for spending the whole week with her and helping at each turn and need here at the show.

“My favorite part of the NRBC is seeing all the big name trainers and riders and watching and learning from all of them. I’m definitely going to come back next year with a little bit more,” McGehee said.

### 5K Non Pro & Intermediate Non Pro High Point Champion - Chloe Cannon & Mr Hollywood Cee

Chloe Canon and Mr Hollywood Cee took home the NRBC 5K Non Pro & Intermediate Non Pro High Point Championship.

Bred by Carol Bell, Mr Hollywood Cee, is a 2014 Gelding by Hollywoodstinseltown and by Miss Hollywood Cee.

“Four years ago we got lucky enough to purchase him from the Bell Family. He is such a once in a lifetime horse and it took me a little while to figure him out as we transitioned him from an Open Level 4 horse to a Non-Pro horse,” Cannon said.

She has enjoyed getting to know her horse and learning her favorite parts of their teamwork relationship.

“His circles are my favorite maneuver. I could run them all day and his slow downs are so cool and he is always just right there and so easy to steer around. He is such an old man,” Cannon said.

Her future is far from over as she pursues a collegiate experience.

“This may be my last NRBC for awhile because I am headed to college in the fall to be on the Baylor Equestrian Team. I am so excited and can’t wait,” Cannon said.

Cannon and her trainer have a little pump up pre-competition ritual before she heads in the compete to get in the mindset of champions. “Me and my trainer always fist bump before I go in to show. I would also like to thank all the people who have helped me get here like Shane Kelly and everyone in our barn, as well as the Bell Family,” Cannon said.

“The spins and the circles are my favorite maneuvers,” Miss Piper said.

The 2012 mare is sired by Gunners Special Night and out of Big Time Sunshine. Nite And Day was bred by Wendy Lind and is owned by Linda Hoppe.

“She has been in the pasture for seven years, and we took her out about February. We had one run to get to know each other and then the rest of the run she’s been right there with me,” Miss Piper said.

Miss Piper wanted to be sure and thank the greats in her show team help.

“I want to thank God and my Dad/trainer, Nathan Piper,” Miss Piper said.

### Novice Horse Open Level 1 Co-Champion – Lena Maas & Sugar Got Guns

Lena Maas and Sugar Got Guns have put together some good runs all week in the ancillary pens at the NRBC, and on Friday, they had their best, yet. The pair marked a 72.5 to tie for the win of the Level 1.

“He was really good. We are improving and I am really happy about the run today,” Maas shared.

Sugar Got Guns is a four-year-old stallion by Sugar Little Step out of Harrys Gun. “We call him Simba. I got him as a foal, and he came here with me from Italy,” she explained.

When asked who she wanted to thank, Maas was quick with the answer. “I thank Franco Bertolani and the whole team, my boyfriend for all his help, and of course, my horse,” she said.

Paul thanked the Nathan Piper team, his dad for coming out to support him, and his wife for “putting up” with him.

"He is kind of a family horse and he is very sweet. I feel like my run went pretty good, could have had some other things happen in the middle, but overall it was pretty good," Miss Deary said.

Miss Deary wanted to thank her extensive team for all the help she has received in preparing to show.

"I would like to thank my parents for helping me learn how to ride him these past couple of days and I want to thank my sister and all my friends who were here to support me, my grandparents and all our help from the barn," Miss Deary said.

She wanted to thank her extensive team for all of their time and help in helping her and her horse prepare for this show.

"I would like to thank Shane Brown Performance Horses, Drake Johnson Performance Horses, my parents for driving me down here, and my siblings," Miss Timmerman said.

## Novice Horse Open High Point Champion & Level 1,2,3 Co-Champions -Yonathan Baruch & Gotta Little

Winnin' more than a little Yonathan Baruch & Gotta Little won the Novice Horse Open High Point and Co-Championed the NRBC Novice Horse Open Level 1,2,3 on Slate 2.

"The purpose of this horse being here is to prepare for the NRHA Derby. I didn't show him much as a three-year-old besides his first being shown in the NRHA futurity. I just wanted to season him and put a few more runs, see if I can finish strong, find out if he holds to it like he should and check our preparation," Baruch said.

Bred and raised by Bobby Lewis, Gotta Little is a 2021 stud sired by Spooks Gotta Whiz and out of Dolittle Lena.

"What's funny is we always find room for improvement and what to work on, but I think the horse is ready to play. He trying to do everything he needs to and now we are just gonna work on the details and I think that is what makes the biggest difference," Baruch said.

Besides focusing on all he wants to do to prepare himself and his horse Baruch wanted to thank everyone for all the help along the way.

"I would like to thank the owner, Bobby Lewis, for giving me this opportunity, for all my help at the show and at home, as well as professional and my sponsors because it always takes a team," Baruch said.

## Sire Race Tightens Ahead of NRBC Level 4 Open Finals

As anticipation builds for Saturday's Level 4 Open Finals at the National Reining Breeders Classic, the race for the Clark's Pump-N-Shop NRBC Top Sire Award is heating up.

Following the completion of the Open Preliminary Round, Spooks Gotta Whiz continues to hold a commanding lead. His offspring have amassed \$153,726 so far during the 2025 NRBC, putting him firmly at the top of the standings.

Sitting in second place is Gunnatrashya with \$60,075 in earnings, followed by Shiners Voodoo Dr in third with \$46,571. Magnum Chic Dream moved into fourth with \$39,732, while ARC Gunnabeabigstar rounds out the Top 5 at \$30,610.

With \$100,000 on the line for Saturday's Open Champion - and a significant boost for that horse's sire - the standings could see a dramatic shakeup by the end of the night.

The Clark's Pump-N-Shop NRBC Top Sire Award recognizes the stallions whose progeny make the biggest impact at the NRBC. Clark's Pump-N-Shop, a family-owned business operating nearly 70 stores across Kentucky, Ohio, West Virginia, and Florida, proudly sponsors the award to honor excellence in reining bloodlines.

Final sire standings will be announced following the conclusion of today's action.
